Key Information and Forms

THE ABOVE IS THE BODY BROKER ADAM URBANSKI RCSD HUMAN CAPITAL EUGENIC ASSASSINATION PROGRAMMING OFFICE WITH ITS ADVERTISED PRIMARY FUNCTION, SECURING KEY SIGNATURE FORMS, NO MENTION OF BENEFITS, MEDICAL OR DENTAL FORMS. THIS IS ADAM URBANSKI'S PREPARED, UNCONSCIONABLE CONTRACTING KEY FORMS ADVERTISEMENT, FOR HIS NEEDED FORM SIGNATURES FOR HIS INDUCE HOSPITALIZATION, PREPAID, HOSPITAL PROTOCOL, LABEL DEAD, WHILE ALIVE, HUMAN SACRIFICE SATANIC RITUAL FOR POWER AND WEALTH, AND FOR HIS DEMOCIDE RECRUITMENT OF CRIMINALS FOR BODY BROKER MONEY HUNGRY SALES/INVESTMENT FRONTS.

The safety of the people is the supreme law.

One problem societies face is not knowing how to judge their laws.

What is the principal principle?

How do we recognize good laws as good, and bad laws as bad?

The maxims give us answers. Man's laws must submit to higher laws. The supreme law is that all laws must promote the people's safety. Any law that fails to promote the safety and well-being of the people is a bad law.

For example, suppose your state passed a law that authorized a particular company to transport dangerous substances in flimsy containers, and as a result people were injured. Such a law does not promote the people's safety. According to this maxim, such a law would be illegal pursuant to the *supreme law*.

Since good laws promote the people's safety, any law that fails to promote the people's safety is an illegitimate exercise of state power.

The people's safety comes first.

The prosperity of any particular industry, individual, or minority subculture within society is never more important than the safety of all peoples, and any law that promotes the prosperity of a single industry, individual, or subgroup within society to the detriment of the people themselves is illegal because it violates the supreme law that the people's safety comes first!

Too many private interest groups, political action committees, and lobbyists succeed in getting legislatures to enact laws that favor a few but are bad for people in general. The proponents of these laws argue that their private interests deserve a break or that the selected few are somehow more important than the many. These arguments violate the maxim. Laws these people seek to enact are illegal, because the people's safety is the supreme law.

All laws that violate this maxim are bad laws and should be repealed.

Dear Honorable Congressional Members:

This letter is an urgent appeal to congress members, in every state, seeking congressional investigations and intervention in the immediate removal of Adam Urbanski, away from working with or near babies, children, and all students in the NYS Rochester City School District (RCSD). He is a demon obsessed, 78-year-old, with over 30 years of no penalty killings, torturing's, and programming label dead, while alive human sacrifice satanic ritual killings.

He is criminally using his RCSD Human Capital Office creation for gathering unconscionable contracted body donation signature consent forms for his criminal, name aligned, unsupervised, body brokering, insurance, funeral home and cremation, satanic killing, money making fronts.

Adam Urbanski is using the RCSD Human Remains/Capital Office for injection stalking of students and staff, his human sacrifice targets. Adam Urbanski is setting up healthy students and educators to be induced hospitalized for his prepaid hospital protocol human sacrifice rituals, which criminally allow him to access label dead, while alive, whole bodies, live organs, and live body parts, to solidify his satanic contracted killings for money.

He has his name aligned insurance, body broker, and funeral home scheme to defraud entities, to maximize the satanic killing contracted money embezzlements. In the world of demonic killing/satanism and to money hungry, unqualified, and incompetent people, he is the money man of the year, who specializes in murder by proxy eugenic assassination programming.

He is criminally using the NYS Rochester City School district to program more of his killings of children, students, and educators, for his innocent blood satanic rituals and for his human sacrifice satanic killing requirements in exchange for his delusions of infinite wealth and power. No one has stopped this 78-year-old, criminal senile, over 30 years, Rochester Teachers Association Presidential Regional Killer, yet. His unregulated, multifaceted satanic human sacrifice killings have been criminally silenced.

Consequently, I am contacting you pursuant to Ephesians 5:11, which states:

**TAKE NO PART IN THE WORTHLESS DEEDS OF EVIL AND DARKNESS;
INSTEAD, EXPOSE THEM.**

His removal away from students is beyond warranted. Please see below, his killing and death fetish and dual life, conflict of interest roles, as body broker, funeral and cremation programmer, and insurance money swindler. He has had these deadly conflict of interest roles hidden, while working with children for over 30 years and while being a starch satanist, seeking innocent blood for his money and non-prosecution satanic rituals. Adam Urbanski's criminally insane innocent blood and human sacrifice killings must be stopped. Please read the below two documents. One is a letter to the NYS Education Department. The other document is a 164-page affidavit with exhibits. The exhibits substantiate the need for the congressional investigations, charging him with crimes cited and the death penalty.

Children, with their innocent blood, need this Adam Urbanski, blood thirsty satanist and killer stopped. The executive branch of government has been criminally muted, which has allowed more children and adult killings, than one can imagine. On behalf of children, students, educators, all human beings, and public safety, please investigate and prosecute Regional Killer Adam Urbanski and make sure he is put away from children. Thank you.
